willie eyes our buildings.

TO SEE OURSELVES AS WILLIE SEES US! Through the eyes of Willie Wildcat, this year's Hanoverian Staff is attempting to re-create the memorable events, the classes, and the people who played so great a part in the past year's school life. Willie will take each of us on a tour of our school, to get a look at the activities which went on in our organizations, to catch a glimpse of the dances and thrilling sport events, and to see our faculty and student body.

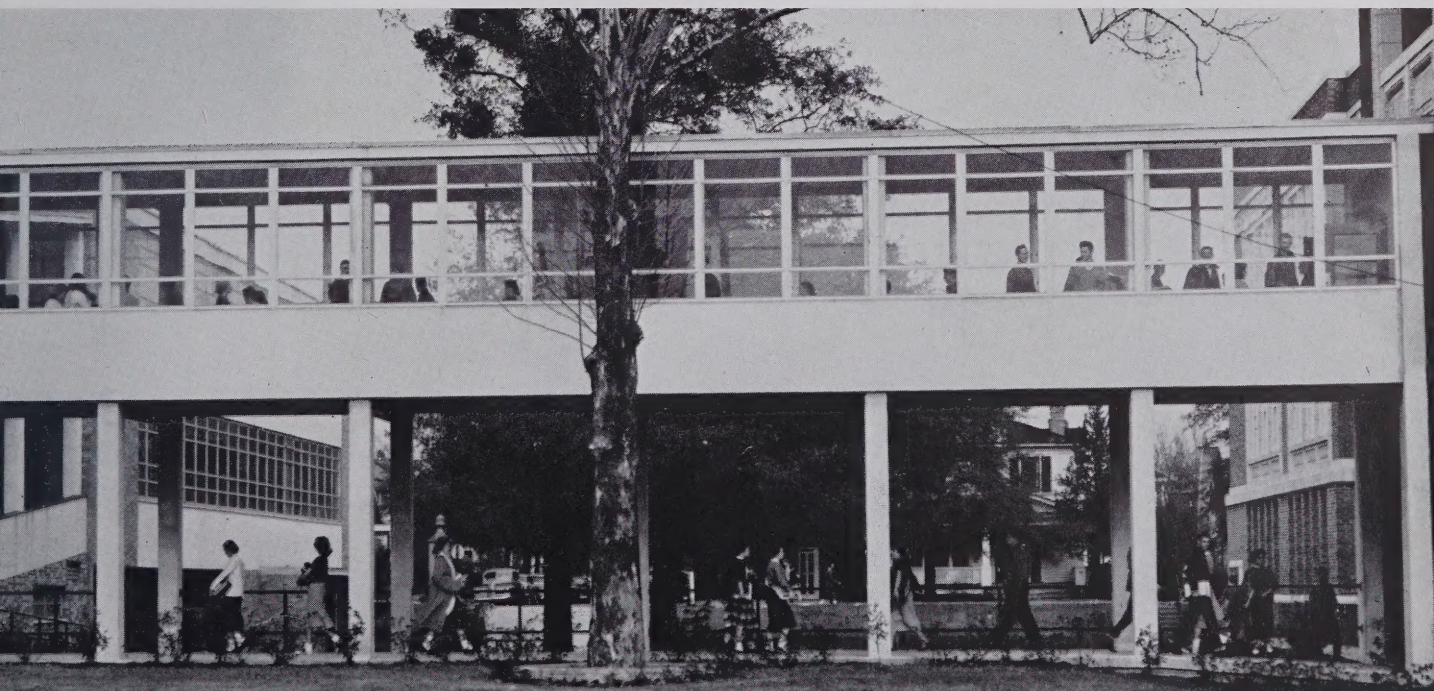

As we turn the leaves of this book, we will see a picture story of the year 1956-1957 — a year in which our football team came forward with the best scores in the seniors' high school career, a year in which the Student Congress played host to a most successful Student Congress-Council Convention, a year in which our musical and dramatic stage productions rose to a new height in entertainment.

The Staff hopes that at some later date in each of our lives, we will again open our annuals, scan these pages, and remember with tears and smiles the wonderful days spent at New Hanover High.

willie applauds seniors' choice . . .

In no other person could be found a greater love for his work than in Mr. James Marvin Pigford. All of his students can see by the way he explains his "interest problems" in trigonometry, algebra, and solid geometry the feeling he holds for higher mathematics. His classes eagerly await the special "interest periods" on Friday in which he gives them problems that tax their brains and demand their strictest attention.

The Senior Class of New Hanover High School will always hold a dear spot in their hearts for their teacher, friend, and counselor; and so they dedicate with great pride this 1957 annual to Mr. Pigford.

STUDENT GOVERNMENT

The Student Government is one of the most important functions of our school. This organization is composed of the House of Representatives, the Senate, the Co-ordinating Committee, the Executive Committee, the Judicial Marshals, the Social Marshals, and the Judges. Each of these bodies works together, striving to achieve its purposes: "to foster a true democratic spirit, to promote closer student-faculty cooperation, and to create a more effective plan of student government."

The Executive Committee is headed by Speedy Macris as president of the Student Body. This branch serves as an advisory board for the Congress, discussing activities and bills which have been proposed by the House of Representatives and the Senate.

The House is led by its chairman, Gene Woodbury. Membership of this branch consists of one representative from each homeroom, elected at the beginning of each year. The Senate, composed of six members from each class and the class presidents, is headed by its president, Terry Pridgen. Both branches originate bills necessary for the general welfare of the school; however, those pertaining to finance must originate in the Senate.

The Co-ordinating Committee, composed of two members from each house and a fifth member chosen by the Student Body, must approve each bill before it is passed to either branch.

The Judiciary branch is made up of the Judicial Marshals. The Student Court, headed by the Judges, has the power to try all members of the Student Body who violate school laws.

Sponsoring the May Dance and assisting at school functions, the Social Marshals are an important part of our school. They are elected by the Student Congress.

All these branches work together to create a firm and efficient government of which the students of New Hanover High School are proud.

Seated: Gwen Hawley, Speedy Macris, Louise Floyd.

Standing: Jane Wright, Terry Pridgen, Judy Gullledge, Alida Swart, Charles Graham, Ed Montgomery, Nancy Vaughn, Bobby Matthews, Allen Huggins, Don Cordero, Barbara Crawford.

EXECUTIVE COMMITTEE

Acting as an advisory board, the Executive Committee is composed of the President, Vice-President, and Secretary of the Student Body, the chairman of the Co-ordinating Committee, the President of

the Senate, and the various cabinet members. In their work they are guided by Mrs. Estelle LeGwin and Miss Lena Taylor.

our democratic student government,

CO-ORDINATING COMMITTEE

The Co-ordinating Committee has the authority to veto a bill passed by the Senate or the House if they consider it of minor importance and not necessary to be considered by the other branch. Saving work and time for the Student Congress, the committee consists of two members of the House and Senate. A fifth member, chosen from the Student Body, serves as chairman.

Seated: Gwen Hawley.

Standing: Bill Bordeaux, Charles Graham, Virginia Raines.

Seated: Pat Farlow, Kay Bishop, Linda Hodges, Mrs. LeGwin, Tooky Bethune, Keena McCall, Betty Brown, Virginia Raines, Lynn Ligon.

which is supported by the senate

Six members elected from each class and the class presidents compose the Senate. Under the leadership of Mrs. Estelle LeGwin, the Senate meets each Thursday morning to discuss bills concerning the welfare of our school. Only the Senate has the power to originate finance bills and to appoint members of our Cabinet.

The Senate Members elect their own presiding officer, the President of the Senate. This year's President, Terry Pridgen, presides at all meetings and may, in the case of an emergency, call a special session.

Other Senate officers are the President Pro Tempore, Ecclesiastic, the Secretary, the Parliamentarian, and the Sergeant-at-Arms.

Terry Pridgen, Mrs. LeGwin,
Skippy Hayes.

The House of Representatives is an important part of our school. Each homeroom elects a representative to this branch. Also included in the membership are the Vice-President of each class and the Vice-President of the Student Body, who serves as speaker of the House.

The major power of the House of Representatives is to originate bills affecting the general welfare of the Student Body with the exception of finance bills. All bills proposed in the House are referred to one of the following committees: Traffic Committee, Welfare Committee, Grounds Committee, Clubs Committee, Judiciary Committee, Social Committee, Student Union Committee, and Hospitality Committee.

Each week the Clerk compiles the minutes and is responsible for issuing a copy to each homeroom.

judges reprimand violators summoned

The Judges, chosen by the House of Representatives and the Senate, decide the necessary punishment for violators of our school's laws. Authority is given to them to interpret the Constitution of our school. Three Judges are selected from the Senior class; two, from the Junior class; and one, from the Sophomore class.

The Chief Judge, Barbara Wenberg, chosen by the Judges and aided by Assistant Chief Judge Andy Harriss, presides at

court sessions but has no voting power except in case of a tie.

This group, advised by Mr. Daniel Todd, tries all violators who are brought in by the Judicial Marshals and imposes the necessary penalties. The Judges are given the power to try all members of the Student Congress and to impeach only the members of the Senate. Nancy Bradshaw, the clerk, is responsible for the proceedings of court business.

"Justice for all" is the motto of the Judicial Marshals. Headed by the Chief Marshal, Allen Huggins, they are under the supervision of the Student Court. These Marshals, appointed by Allen and approved by the Judiciary Committees of the House and the Senate, enforce the laws and rules of our school.

Assigned to a special post on the campus or in the building, each aids in promoting orderly traffic. Violators of traffic rules are given a ticket as a summons to Student Court. The Chief Marshal acts as Prosecuting Attorney for the Student Court. This branch, essential for a student-governed school, is advised by Mr. Daniel Todd.

well-qualified social marshals of n.h.h.s.

Working with the social committees of the House of Representatives and the Senate, the Social Marshals attend all social activities of our school. Advised by Miss Jackie Williams, the Marshals assist by collecting tickets, distributing programs, and ushering at the plays and operetta. Each year during the Parent-Student-Teacher

open-house meeting they aid in directing the parents to the various classrooms. Each spring the Social Marshals sponsor a May Dance; at this time they present the May Queen and her Court. Elected at a joint session of the Senate and the House, the Social Marshals chose Jane Wright as their Chief Marshal for this year.

The Homeroom Chairmen are elected at the beginning of each school year by the students of each homeroom. During the school term they serve their fellow classmates by distributing and selling *Wildcats* and by taking orders for subscriptions to the *Hanoverian*.

Throughout the school session, the Chairmen aid in collecting money for the

various charities such as the Junior Red Cross, the Thanksgiving Welfare offering, and the Christmas collection for needy families. Senior chairmen take orders for calling cards to be used by future graduates. Daily devotionals are given by members of each homeroom class; these devotionals are scheduled by the chairmen.

NATIONAL HONOR SOCIETY

willie proudly meets students

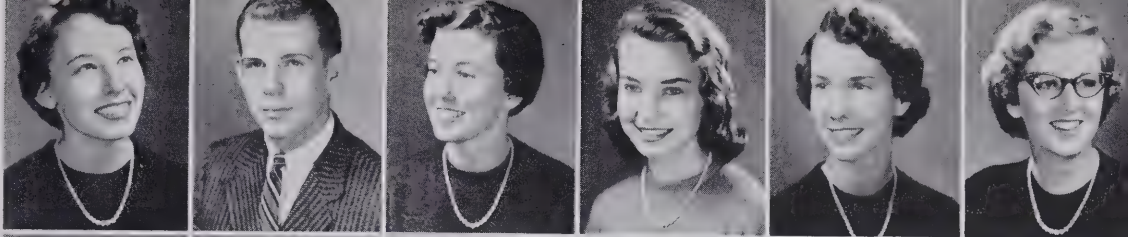

A national organization well-known for its high ideals of developing character is the National Honor Society. Being inducted into this society is the highest honor that New Hanover High School can offer any student. Students selected for this society must be in the upper nine per cent of their class in

scholarship, must possess a very good rating on character. The National Honor Society Committee must approve each eligible student. The number of members tapped each year is limited; it does not exceed three per cent of the class as juniors nor an additional six per cent when this class becomes seniors.

GOVERNMENT CLUB

"In Union there is strength" is the motto chosen for the Government Club of 1957. Under the leadership of Miss Eleanor Tapp, this club works to create better citizens and competent leaders through an understanding and knowledge of democracy. Members participate in the "I Speak for Democracy" contest sponsored by the local Junior Chamber of Commerce, and the local Student Government Day. On this day government students, who have been elected for their jobs by their classmates, take over city and county offices and run the local government for a day.

Panel discussions on matters of current interest, talks on travel in the United States and abroad, speeches by persons connected with both our local and national governments — all of these help to provide interesting and educational programs for the members of the club. In addition, the club members, together with other students of government, participate in an annual trip to Washington, D. C., at Easter to see our national government in action and become acquainted with the capital of our country. One of the larger clubs in school, this organization is also one of the most active.

This group was organized for the purpose of promoting an interest in public speaking in our school. It is open to all persons who have a genuine interest in this field. One of the newer organizations in our school, it has not yet engaged in speaking contests with other schools, but such activity is the ultimate goal of the club. The meetings

"I can do all things through Christ who strengtheneth me" is the motto of the Bible Club, which is known for its high ideals of developing character. Sending gifts to Oxford Orphanage, visiting shut-ins, and sponsoring early

thespians

Directed by Mr. Douglas Swink, the Thespian organization is one of the largest and most active clubs in our school. Its purpose is to promote an appreciation and a love for the art of the drama and to develop skill in all phases of dramatic work.

Membership in the organization is open to all interested students who are able to prove their ability by giving a successful dramatic reading before the assembled group. Through enthusiastic participation and keen observation, the members learn the fundamentals of dramatic production as well as those of acting.

The active member may find himself with his hands in greasepaint applying stage makeup for one production; whereas

on the next one he may be wielding hammer and saw as he constructs a stage set. Or he may be determining what effect a certain light at a given point will add to the general mood, or he may be chasing down the most elusive stage "prop" imaginable. The interested participant soon learns that acting is only a very small part of dramatic work.

Each year the Thespian organization presents several major productions. The first of this season was Edna Ferber's and George Kauffman's *Stage Door*, the spring production was "Aladdin and His Wonderful Lamp," a one-act play which was entered in competition at the State Drama Festival in Chapel Hill in April.

LIBRARY ASSISTANTS

Under the guidance of Miss Martha Cromartie and Miss Fannie O'Keef, this group of students is carefully selected for the many jobs in the school library. In addition to the routine tasks of checking books in and out and replacing them on the shelves, these library assistants have many special

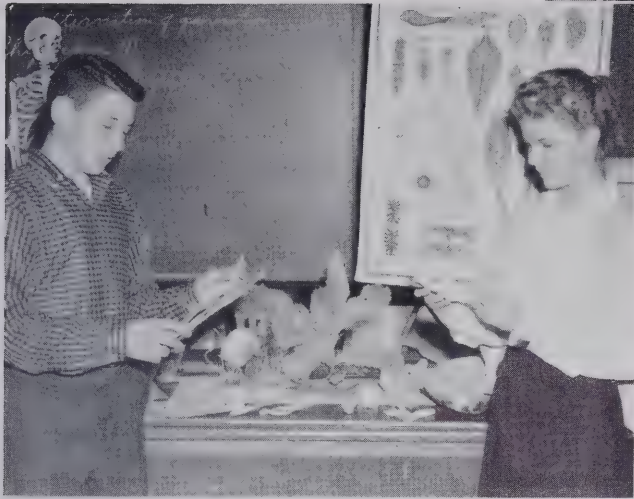

duties. Each year they help in the planning and execution of the Library Tea, and throughout the year they are constantly preparing bulletin boards and displays of new books, magazines, and pamphlets, that greatly enhance the attractiveness of the library.

singers as he joins in the arrangements

Each year the Hanover Singers present as their annual project an operetta; this year they selected "The Merry Widow" by Franz Lehar. Night after night, day after day, the members of the cast and chorus practiced their parts. Evidence of their hard work was revealed when the curtain went up on the opening night. The students of NHHS will long remember the fine work of Mr. Loyd Hudson and his excellent group.

being prepared for the operetta,

Tryouts are held at the beginning of the school year as a means of choosing the members of the Mixed Chorus. This group is a very important part of the Music Department; from it members of the Hanover Singers are selected. The Mixed Chorus presents the Thanksgiving program and also takes part in the Christmas program.

Members take speaking parts in the operetta, as well as supporting roles in the chorus.

Each fall, students interested in choral work are invited to try-out for membership in the Mixed Chorus. From among the many participants the final group is chosen by Mr. Loyd Hudson. Made up primarily of sophomores and juniors, this

group is a most important part of the Music Department. From it, the members of the Hanover Singers are usually chosen.

Every Thanksgiving the Mixed Chorus presents a program of traditional music at a special assembly held the day before the holiday. They also take part in the annual Christmas program, which is presented by the entire Vocal Music Department. A highlight of their performance was a sparkling rendition of "T'was the Night Before Christmas."

Members of the group take speaking parts in the operetta produced each year by the department, as well as making up the all-important chorus for the production.

even advises coaches,

Our coaches have again this year done a wonderful job of taking boys and moulding them into individual units, then developing them into victorious teams. By his splendid coaching and his artful use of strategy during games, Coach Leon Brogden has distinguished himself once-more as one of the outstanding coaches in North Carolina. This year he has coached our football, basketball, and baseball teams to success. Coach Jap Davis has also had much to do with the success of our teams this year. With his "drive" and "push", he has instilled within our athletes "hustle" and team spirit which are necessary for victory. Coach Davis not only assists Coach Brogden with the varsity football and basketball teams, but also coaches the golf and tennis teams. Coach Billy Brooks has also assisted with the football team. With his quite manner and friendly smile, he has done much to improve the "B" varsity football squad, preparing them for next year. Coach Buck Hardee, with his pep and spirit, has coached our JV team this year. He has done much to prepare the JV's for varsity action next year. Coach Hardee also assists Coach Brogden with the varsity baseball team. Coach Calvin Lane is the new addition to the coaching staff this year. Coaching the JV basketball and baseball teams, he has done, we feel, an excellent job his first year.

cheers wildcats at game,

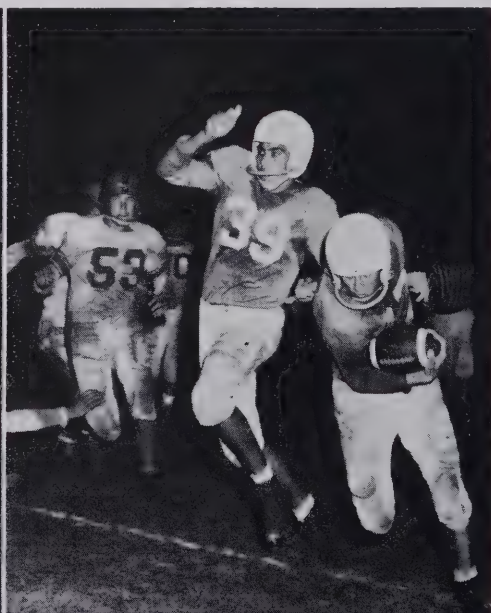

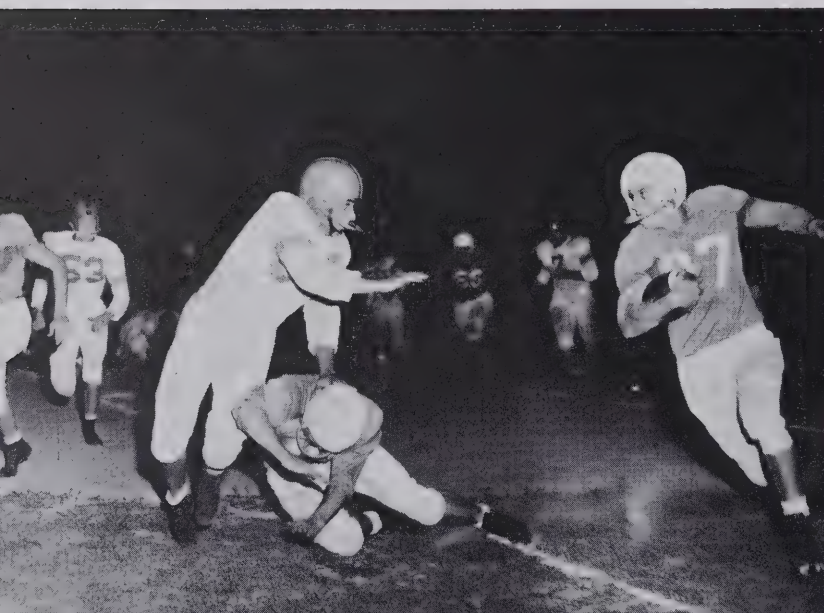

The Wildcats opened the 1956 season by meeting Charlotte Central High in a non-conference game. Playing well in spite of a continuous rain, the Wildcats drove through mud and Charlotte's defenses to score 20 points, while our defense held Charlotte's score to a muddy zero. Wilmington next met Hargrave Military Academy. Led by Winston Futch who scored twice, Wilmington dumped Hargrave 24-7. The Wildcats then took on the Rocky Mount Blackbirds and literally "ate them up." With Futch starring again as he scored all four touchdowns, Wilmington defeated Rocky Mount 26-0. The Wildcats next met the powerful Raleigh Capitals in a bruising defensive game. Sparked by John Parker, Charles Cook, and Ed Carroll, Wilmington's defense was tremendous as it held Raleigh to only 118 yards rushing: in the last quarter Raleigh was held to minus yards rushing. The Cat's offense, led by Futch, Brown, Holly, Macris and Vann, gained 232 yards. Wilmington beat Raleigh 12-7 and thus extended their winning streak over Raleigh to eight consecutive games. Wilmington next encountered Georgetown, South Carolina, in a non-conference game. With Futch starring again as he scored once on 66 yard run from scrimmage and once on a 41 yard punt re-

turn, Wilmington thrashed Georgetown 25-13. Goldsboro was the Wildcats next foe in a game played in mud and rain. With Holly scoring two touchdowns, the Wildcats ran roughshod over Goldsboro to win 26-0. Fate deserted the Wildcats in their game against Wilson. Twice Futch raced for touchdowns of 51 and 61 yards only to have them erased by penalties. Wilmington fell to Wilson 13-7 as their only "legal" touchdown was scored by Larry Brown. Wilmington's next opponent was Durham and for the first time since 1950, the Wildcats defeated them, 26-7. Futch scored twice and Vann once after Brown had given the Wildcats their first touchdown with a 21 yard pass to end Ray Hock. The Wildcats, having a

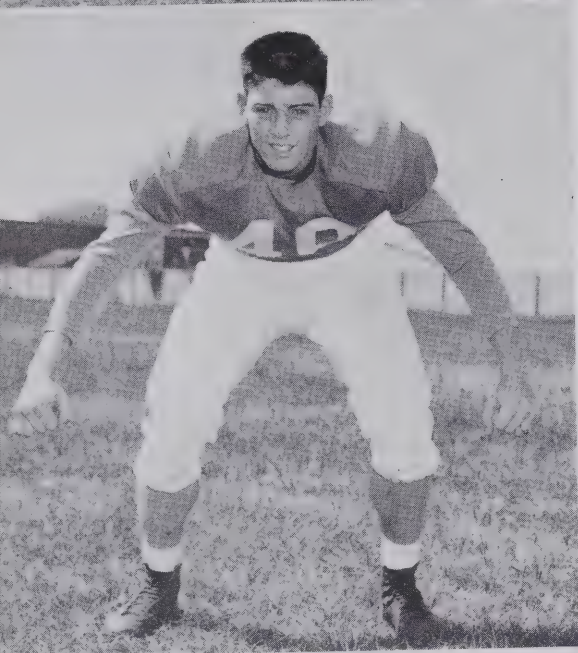

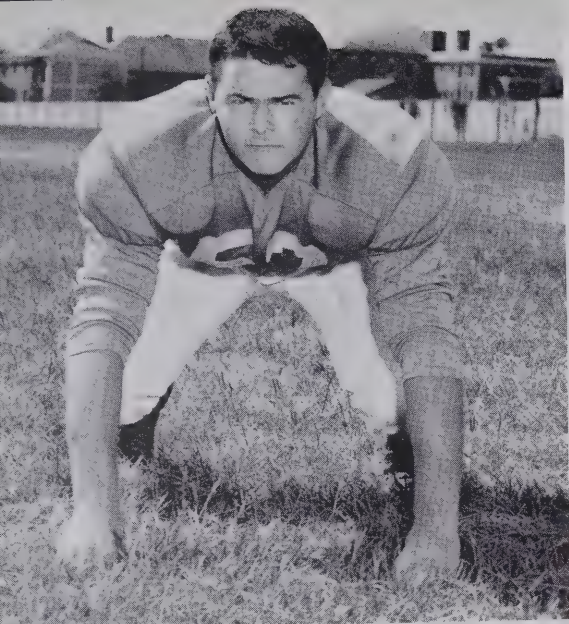

4-1 record next played Fayetteville who had a 5-0 record. The Wildcats would have to win this game to tie Fayetteville, and thus remain in contention for the Eastern Triple A Crown. Receiving the opening kickoff, Wilmington drove to the 3 yard line only to have a 15 yard penalty push them back to the 18 and halt the drive. Later in the game the Wildcats clawed to the 5 yard line only to fumble the ball away. With seconds remaining in the game, Wilmington attempted a 25 yard field goal. Though high and long enough, it was wide by not more than a yard. The game soon ended. Fayetteville tied Wilmington 0-0 and thus won the Eastern Triple A Crown. N.H.H.S. finished second in the Eastern Conference.

NHHS opened their basketball season this year with high hopes of again winning the AAA Basketball Championship of North Carolina. The Wildcats had six seniors returning from last year's championship crew: two of them, Billy Fennell and Ted Tilghman, were regulars last year; the others had a great deal of experience. Also fighting for starting positions were several outstanding juniors. During the first part of the season, NHHS won four non-conference games, one of these games being with High Point, a team which they were to meet later in the finals of the State Tournament.

During the regular season, NHHS lost three games while downing all other opposition. The Wildcats' first defeat came at the hands of Raleigh. In the return game, Raleigh again defeated the Wildcats in a close game, 59-57. Durham, whom NHHS had defeated earlier, then upset the Wildcats for the third defeat. With nine victories and three defeats, NHHS finished third in the Eastern Conference.

wildcats to team victory;

Although finishing only third in the Eastern Conference, the Wildcats entered the State Tournament in Greensboro with great determination to retain their title as State Champions.

Meeting Greensboro in the opening game of the tournament, NHHS defeated the Whirlies 57-52 as the starting five played the entire game. Advancing to the semi-finals, the Wildcats met and defeated the Burlington Bulldogs 69-48, thus earning the right to meet High Point in the finals of the tournament. In the most exciting game of the tourney, the Wildcats defeated the fighting Bison of High Point 67-63 in overtime play. Displaying the same poise and confidence in the pressure-packed overtime which they had exhibited throughout the tournament, the Wildcats hit all eight of their points in the overtime on foul shots. Thus with tremendous teamwork and desire, the Wildcats became for the second year in a row—State Champs.

The '56 Baseball team, although losing to Raleigh 10-5 and to Rocky Mount 6-2, (thus having a 25 Eastern Conference game winning streak thoroughly broken) still recovered to go through the rest of the season undefeated and win the Eastern Conference Championship for the third consecutive year. Playing on Winston-Salem's home field, they defeated the Western Conference Champions twice in a row in a two out of three series to win the State Championship for the first time in seven attempts. With a number of regulars returning from last year's championship team, this year's squad should have a very excellent chance to retain the State Crown.

Ignorance is bliss.

Three years of English were a "must"; and consequently, our faculty for this department was large in number.

For many years, our English curriculum had been a year ahead of that of other schools, and incoming students were handicapped by having to double up. Last year, the switch was begun in the Sophomore class to make all state English curricula the same. The Sophomore course was a survey of types of literature, acquainting the student with such classics as Julius Caesar and Silas Marner. This year, Juniors were introduced to the literature of our own country, studying the early literature as well as that of modern times.

such as english,

Although not affected this year, the Seniors of '57-'58 will study the literature of England, learning to see the writing of each literary period as an outgrowth of the history of the time. This year's Seniors, also not affected by the change, had a general review of the "greats" as they waded into Hamlet.

In addition to literature, stress was laid on principles of grammar, correct and expressive composition, and learning to read with understanding.

With such efficient teachers as our guides, we felt prepared for future work, knowing that our background in English was a thorough one.

Lovely bulletin boards and backdrops were proof that our Art Department had adequate material in the line of talent to meet its demands. Much of the advertising of our dramatic and musical productions was handled by those of us who were artistically inclined.

music,

We who were members of the Mixed Chorus practiced with high hopes as we listened to the Hanover Singers render beautiful concerts and looked forward to joining them next year. Our instrumentalists gave gay performances both as a marching unit and as a concert band.

"Give us some men who are stout-hearted men."

home ec,

In Home Economics, sewing, cooking, foods, good grooming, child care, and homemaking were studied. These courses were designed to prepare girls for the future every girl hopes for eventually—the task of turning an impersonal house into a warm, happy home. As we realized that the average marriage age is younger than it used to be, we knew that it would not be very long before this job would be ours. We felt confident that we could make a good standing as a homemaker because of our training in this field.

We stitch 'n stir.

r.o.t.c.,

Every boy who took ROTC had a secret pride in knowing he belonged to the only high school ROTC unit in the State. In addition to Monday and Friday morning formations, military organization and history, maps and photographs, first aid, and weapons made the military life more real. The Cape Fear Rifles and the Rifle Team provided opportunities of development for boys who were skilled marksmen. The ROTC unit turned out boys well-educated in military tactics. Pretty company sponsors reminded us that if they could stand cold formations, we could too.

sophomores

We, the class of '59, enter NHHS, typical Sophomores. Together we puzzle over program cards, traffic regulations, and the mysterious smiles of our new teachers. Under the guiding paw and benign smile of the Wildcat, we become

adjusted to our new "home". We elect our class officers, plan the Twirp Dance, and are horrified at our first exams.

After finishing our first year in high school, we are looking forward to our Junior year.

juniors

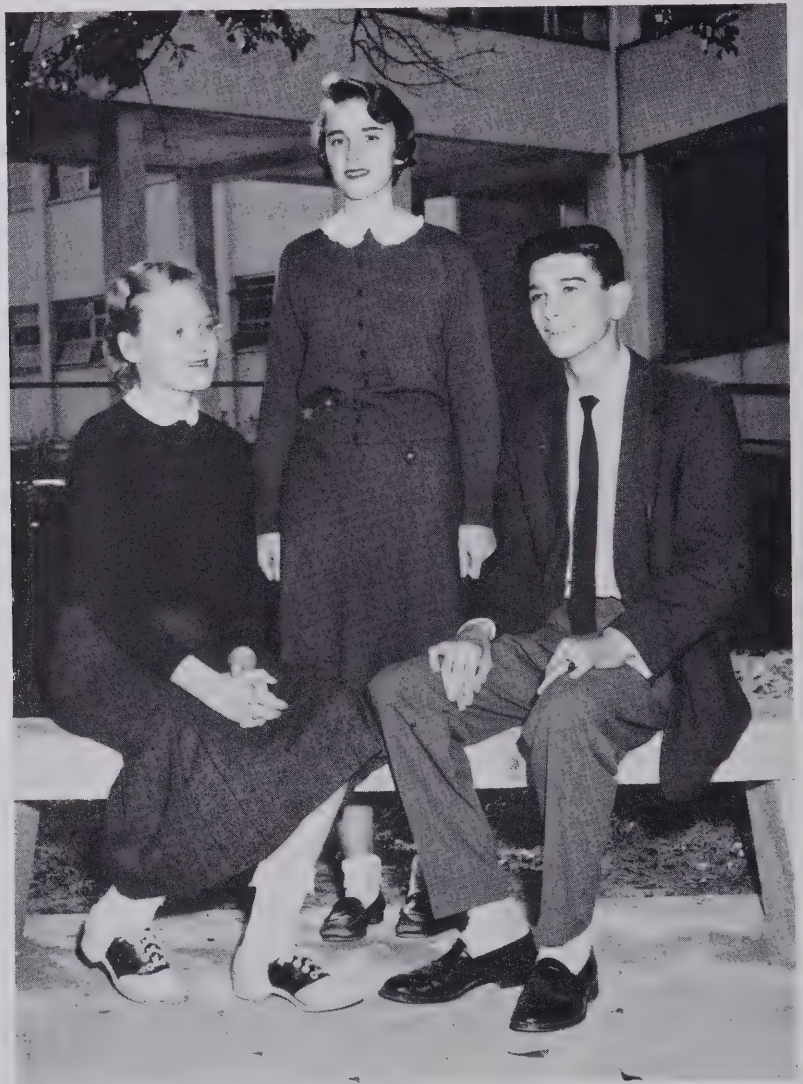

After a year of "learning the ropes" as sophomores, we, the juniors settled down to a most enjoyable year, our first as upper classmen. In early fall we were measured for our class rings, making us even more eager to receive them in May. Our class presented a very successful play, Mark Twain's "A Double Barreled Detective Story." The highlight of our year's activities came when we staged a spectacular Junior-Senior for the Class of '57. Our year ended with high hopes, for next year we will be in the most important class of all—

seniors

Our long awaited senior year at last arrived; we were seniors and eagerly walked up the senior steps to begin this our final year. Many of us applied for admittance to colleges, while others of us prepared for future vocations. We studied hard, looking forward to receiving our hard earned diplomas. As we ordered our calling cards and measured for our caps and gowns, we realized that we would soon walk down the senior steps into an entirely new world.

at last,

Mike - It's been
great knowing you these
years and its too bad
you are one of those
